CILJ SKUPA

The theme of the SPIN '23 conference is "Digital and Green Economic Development," with the main objective being the dissemination of ideas, knowledge, international and national best practices, and the sharing of participants' experiences, as well as presenting the possibilities and solutions offered by digital and green economic development. The conference represents a unique national forum with international participation for discussing current issues and exchanging the latest information and practical solutions that operations management can offer to international, regional, and national business practices.

DATE AND PLACE OF THE EVENT

Date: November 6th and 7th, 2023
Venue: University of Belgrade - Faculty of Organizational Sciences
Address: Jove Ilića 154, 11040 Belgrade

IMPORTANT DATES

Registration and submission of papers: until September 29th, 2023.
Notification of paper acceptance: until October 16th, 2023.
Payment of registration fee: until October 23rd, 2023.
